VII. Staff Message

The Principal and staff are appreciative of the continued flexibility of parents and families. We continue to appreciate the support of our Sierra Community.

VIII. New business/Open Forum

Parent suggested a committee to explore inclusion at Sierra. Prior to hearing the specific suggestion the ZOOM meeting ended automatically due to the PTC using the free version. Principle Westberg sent out a new link to discuss further, but only the board was able to return. Principal Westberg is reaching out to the parents who expressed interest in being part of this group.

IX. Adjourn
